

Watershed

News and Brews

Friday, April 21, 2023, 5-8 p.m.

Kingdom Brewing - 353 Coburn Hill Rd, Newport town, Vermont

Presenting the documentary film *Salmon of the Clyde River*, produced by Ian Sweet from 6-7:15 p.m.

The Landlocked Salmon fishery in the Clyde River and Lake Memphremagog was once renowned for the size and quantity of fish that ascended the river twice each year. Anglers from around the world flocked to Newport each spring and fall for a chance at catching one of the prized fish. Learn the history of this great fishery!

Updates and mingling from 5-6 p.m.

- ◆ Come and hear from local watershed partners & conservation organizations to learn about the ongoing efforts to protect and restore your watersheds.
- ◆ Enjoy Kingdom Brewing's Brews (or a beverage of choice) and wood fired pizza!

Plus, additional activities to Celebrate Earth Day 2023

Experience a hands-on,
Interactive, river simulation table

Sponsored by - Memphremagog Watershed Association, Missisquoi River Basin Association, NorthWoods Stewardship Center, & Orleans County Conservation District
